Objective

Building peace through **reflection, dynamic learning and conflict resolution** to reduce bullying and school violence through workshops inspired by the LEGO® Serious Play® methodology.

¿What is LEGO® Serious Play®?

The LEGO® Serious Play® (LSP) methodology is a technique to:

- Facilitate **reflection, communication and problem solving.**
- It can be used with **organizations, work teams and people in general.**
- It is based on theories such as **constructivism, constructionism, Flow theory and storytelling practice.**
- It is a **different way of thinking and having conversations.**

LSP Process

The LSP process consists of four simple steps:

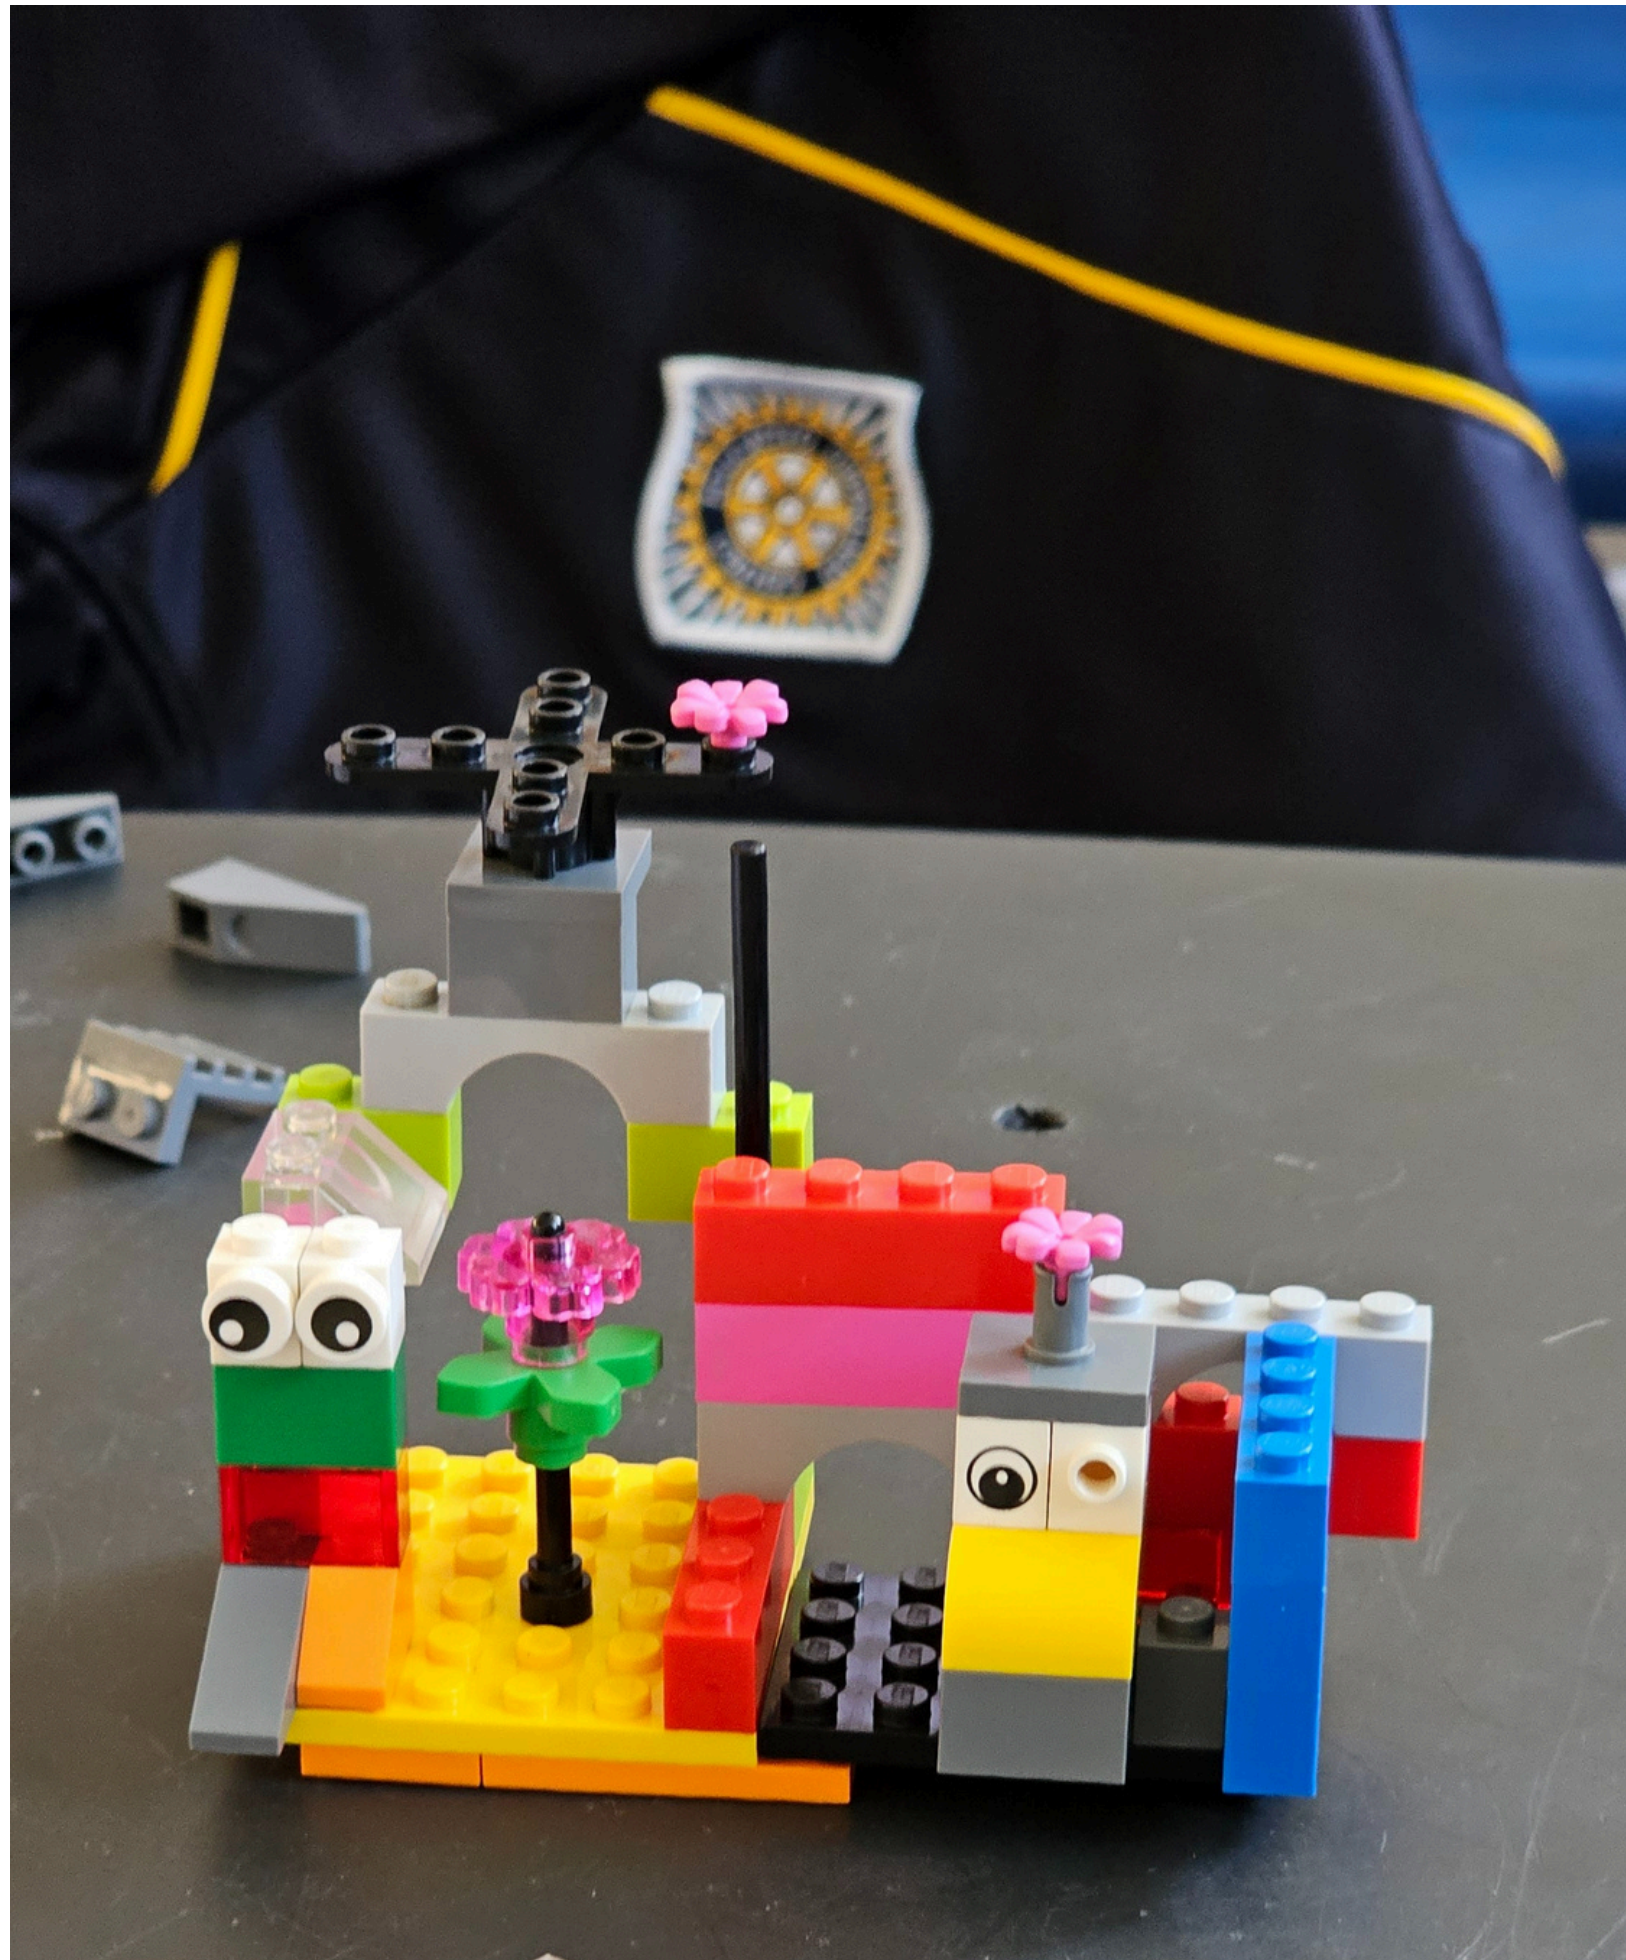

1. Challenge
2. Build model
3. Share story
4. Reflect together

Experiences

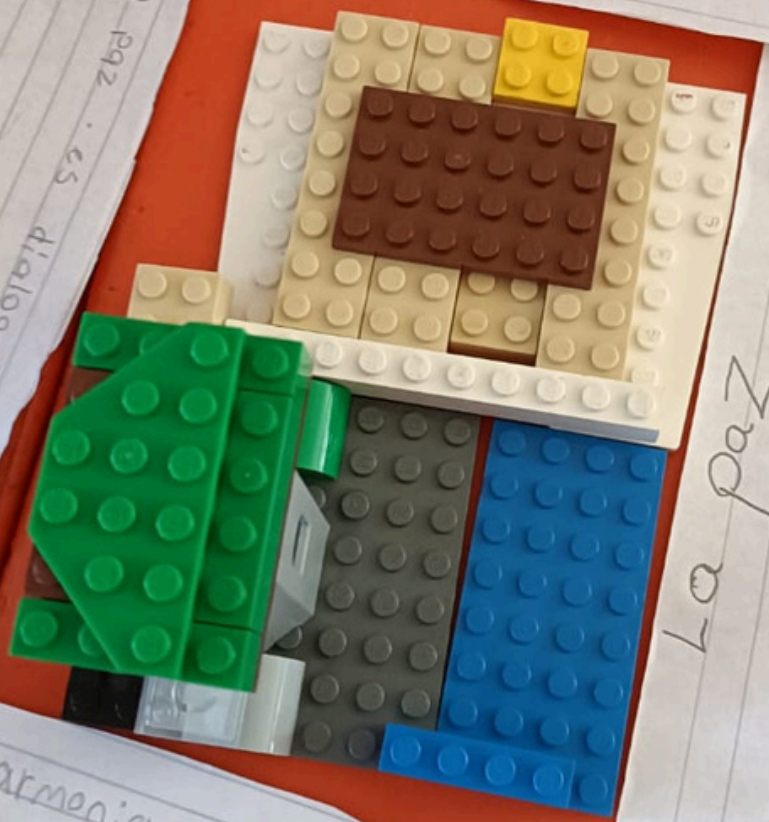

La paz
es como vivir con los demás
y no pelear es ser muchos
amigos es estar en armonía todos y
jugar todos sin pelear.

La paz

platicar conversar
amistar y con verir y onir
dar

es armonia es compartir es no
pelear es amistad y dialogar ♡
